APPENDIX I.

[Vide answer to starred question No. 209 asked by Sri V. Balakrishnan at the meeting of the Legislative Assembly held on 2nd December 1952, pages 870–871 supra.]

(*a*) *to* (*e*) The Chairwoman, Women's Indian Association, Madras Branch, applied to the Government several times for the allotment of a suitable plot of land in favour of the Women's Indian Association for the purpose of establishing a cancer hospital, clinic, museum, etc. The dates on which such applications were made specifying the area and the locality are as given below :—

Date. (1)	*Extent of land.* (2)	*Locality.* (3)
9th April 1951	About 10 acres in R.S. No. 3892-2 of Mylapore.	Greenways Road, Adyar.
20th December 1951	Five acres of land in R.S. No. 4491-4 of Mylapore.	San Thome High Road.
31st January 1952	Two cawnies, 2 grounds and 94 square feet in T.S. No. 6578 of Mambalam.	At the junction of Dr. Thomas Road and Sir Thyagaraya Road in Mambalam.
31st August 1952	Not specified	Veterinary hospital and Poultry farm sites in Mount Road, Saidapet.
September 1952	$3\frac{1}{2}$ acres	At the junction of Greenways Road and Government Milk Factory, Mount Road.

The Chairwoman, Women's Indian Association, was informed that the lands in Adyar and Mambalam were required for Government purposes. As the land in San Thome High Road forms part of the Mandavalli City Improvement Scheme, this land could not also be spared to the Women's Indian Association. The Veterinary hospital and Poultry farm sites have no vacant land for allotment and the other site at the junction of Greenways Road and the milk factory could not be allotted as the land belongs to the military department. The Association has, however, since been assigned, with their consent, one plot of land R.S. No. 7 of Kotturu village in the Madras district for the purpose of establishing a cancer hospital, clinic, museum, etc. The question of allotting three more sites in the Madras district to the Association is also under consideration.
